Summer notes:

1. We are down to only 4 folks who regularly do the 8AM service....any volunteers for the Fall?
2. We are still in transition and our actions and our ministry needs to be reliable and comforting as we approach an end to the word yet...but the process is (I am told) nearing a conclusion.
3. Lessons will go out to the Reader and Chalicer early each with with prayer Form following later in the week. As always, please time for good final coordination with the celebrant.
4. Take time during the summer to take a close look at your vestments and take them home for a washing if needed...thanks.
5. As always, if unable to serve as rostered, please arrange a replacement...and then advise Dennis...early in the week!!!

Thanks for all you do for St Andrews.....George (686-3705)
